

BELLA

Bella effortlessly blends contemporary style with cosy comfort. This collection is about much more than good looks, you can choose to add a number of discreet cutting-edge features which will turn your chair or sofa into your ideal spot to relax.

Available with power recline, so you can sit back and put your feet up. There is also the option of heated seats to keep you warm when the weather turns colder, or add a power tilt headrest and lumbar support to take your comfort to the next level.

Bella comes in a wide range of leathers and fabrics so it is easy to find the perfect combination for your home.
