

# LAWTON

## MADE IN BRITAIN®

A fusion of traditional comfort with a contemporary silhouette, Lawton is an attractive, on-leg model with broad appeal.

The power foot rest curls out to support your legs as you relax with the supportive deep-fill cushions and statement curved arms.

Customise your three-seater sofa, two-seater sofa, loveseat or armchair with a choice of high quality fabrics and complimentary scatter cushions featuring matching or contrasting designs.

Lawton is also available as a static product. A footstool completes your room.
