

ESSENCE

With Essence, you can create the perfect combination of furniture for your living space, whatever the size. Simple yet effective, this range offers the very essence of comfort and relaxation.

And there's a number of optional features which can be added to make your sofas and chairs even more special, including a power head tilt. There is a choice of two console units – one with a swivel wood top and useful storage space and the other with wireless charging pads which convert into cup holders and Bluetooth speakers.

In addition to modular units which can be used to create a stylish corner unit, the Essence collection also includes an accent chair, love seat, sofa and recliner chair. It is available in a stunning range of premium leathers and fabrics in tasteful colours.
