

JUDE

Stylish, simple and versatile, Jude offers classic La-Z-Boy comfort with a modern twist. You can choose from a selection of soft, high quality leathers and attractive fabrics to create your new favourite place to sit.

Available as a chair, two-seater sofa and three-seater sofa, you can opt for a traditional static model or really sit back and put your feet up by choosing a power recliner. Powered models also come with the option of adding a power head tilt for extra comfort. You can even add a console unit to the two-seater sofa, allowing you to store and charge your devices as you relax.

The Jude range also includes a distinctive swivel chair, manual reclining chair and footstool.
