

# NEW HOLLYWOOD

New Hollywood combines the glamour of the silver screen with La-Z-Boy's trademark comfort. This luxury range will create a statement in your living room with indulgent chenille fabrics in eight different colours, hand-tufted cushions and artisan details.

With the collection including chairs, love seats, sofas, corner groups and footstools, you can customise your furniture to suit your space and your family. And the choice is yours when it comes to relaxation too as you can opt for a simple static model, a traditional manual recliner or a power recliner with USB and USB-C charging for your devices. Each piece is exclusively hand-built in the UK for DFS.
