

Skye

Perfect for open-plan urban living, Skye has a distinctive low silhouette with curved arms and wide spacious seating designed to curl up and truly relax on. The collection is made up of modern modular units, allowing you to create a customised corner unit which is just right for your living room.

The discreet power recline means you can lay back and forget your troubles at the touch of a button with a power head rest for extra comfort. You can also choose to add console units, which will make your seating as functional as it is stylish with handy storage, wireless charging, cup holders, USB and USB-C ports and even a Bluetooth speaker.

The range also includes some standalone seating including an eye-catching accent chair. Skye is available in a selection of premium fabrics and leathers.
