

Murray

If you want to turn your living room into a relaxing haven where you can stay warm and cosy no matter what the weather, Murray could be the answer. If you choose a power recline model, there's the option of adding heated seats to gently keep you warm in colder weather – no blankets needed.

But that's not all – the power recline sofas and chairs are also available with lumbar support and a power head tilt to help you find your perfect position to rest and recharge. Murray is available in both leather and fabric as a two-seater sofa, three-seater sofa and chair. And if you prefer a more traditional approach, you can choose a manual latch recliner or a simple static model – the choice is yours.
