

Carmel

Carmel combines mid-century style with cutting edge technology so you can relax in total comfort. Exclusive to DFS, Carmel is expertly handcrafted in Britain at La-Z-Boy's Lancashire factory.

Choose between furniture with innovative Cloud Zero™ technology, inspired by designs used for space travel, an easy-to-use power recliner with footrest or a simple static sofa or chair.

The Cloud Zero™ function helps you fully recline, holding your body in a neutral position so you feel weightless and completely supported.

The Carmel range includes a three-seater sofa, two-seater sofa, love seat, chair and footstool upholstered in Manolo, a soft, smooth luxurious fabric with a high sheen finish. You can even choose between chrome, walnut or gold feet to suit your personal sense of style.
