

Colorado

sofology

Stylish and versatile, Colorado is all about your comfort. With a modern, minimalist look, you can choose from a wide selection of units to fit your living space, whatever its size.

Available with power recline and a manual head tilt, the range even includes a luxurious sofa bed – perfect for a good night’s sleep. You can also pick a traditional static chair or sofa and either a standard footstool or one containing hidden storage. Exclusively available at Sofology, Colorado comes in both leather fabric in a choice of on-trend colours to suit your home.
