

Cove

The Cove range brings serenity and calm into your home, giving you somewhere stylish to kick back and relax in complete comfort. Part of the exceptional Eclipse Collection, Cove has been created for design-conscious consumers who want furniture that feels every bit as good as it looks.

The sofas and chairs are available both as static models and with hidden extras, including a discreet power recline and a power head tilt. Modular units mean you can create a customised corner unit which fits your home and your needs perfectly with a choice of clever console units.

In addition to corner groups, the Cove range includes a three-seater sofa, two-seater sofa, chair, storage footstool and accent chair. And with luxurious fabric and butter soft leather options in carefully curated colours, you'll be spoilt for choice when choosing your favourite pieces.
