

Harnden

Harnden has a lot more to offer than simply a comfortable sofa or chair to sink into at the end of a busy day. Available as a three-seater sofa, two-seater sofa and chair, you can choose between power recline or static models. And if you choose a power recliner, you can add a number of clever additional features including heated seats, a power head tilt and lumbar support.

There is also the opportunity to transform your power recline sofa into a smart sofa with the addition of a console unit. The console includes handy storage, wireless charging, USB and USB-C ports, a useful light and cooling cup holders.
