

# Lakewood

Lakewood is a luxurious, contemporary sofa range, which effortlessly blends cosy comfort with modern style. Available exclusively at DFS, you'll love the generous proportions, sweeping curves and minimalist styling.

Sumptuous, spacious and supportive, Lakewood feels every bit as good as it looks. Choose between a manual or power recliner or you might prefer a traditional static model, with removable backs. The power recline option can also be customised with a power head tilt and lumbar support for extra comfort.

Lakewood comes in a choice of leathers and fabrics and the range includes curved sofas, two-seater and three-seater sofas, love seats and chairs. There's even the option of adding a console unit with wireless charging, cooling cup holders, hidden storage and USB and USB-C ports for your convenience.
